

**NOA BAUM**

Storyteller Noa Baum, an Israeli who began a heartfelt dialogue with a Palestinian woman while living in the United States, weaves together their memories and their mothers' stories. She creates a moving testimony illuminating the complex and contradictory history and emotions that surround Jerusalem for Israelis and Palestinians alike.

Storytelling is uniquely suited to reach hearts and minds. Noa writes: *"I tell the human story that stands apart from politics and hope that hearing it will call upon us to listen with compassion without surrendering to prejudice and fear, choose dialogue, and commit to peace."*
